

Guided Tours  
of  
Old Mission Dolores  
Saturdays in February and March 2016  
at  
11AM, 1PM, and 3PM

Join us as we explore Mission Dolores' history on a guided tour of the Old Mission, Museum, Cemetery and Basilica Church. A guided tour lasts approximately 90 minutes. A portion of the tour is out-of-doors, so please dress appropriately. Upon your arrival, check in at our gift shop and the staff will direct you where to begin your tour. Tours begin promptly at the hour stated. We hope that our Saturday guided tours will aid those who cannot come on a group tour during the week.

Mission Dolores is an active church of the Roman Catholic faith. Pilgrims and ordinary people are generally present at all times for prayer and meditation. An atmosphere of quiet and respect is asked of all of our guests.

Much of what you will see is over 200 years old.

Picnic tables and a playground are located at Dolores Park two blocks away, at the corner of 18th and Dolores Streets

Grave rubbing is not permitted.

The entrance fees for Old Mission Dolores are \$3.00 for students and \$5.00 for adults.

On Saturdays, free parking is available in our Mission Dolores schoolyard. Enter from Church Street.
